

Concord.

Wedding at Green Mountain Hall.

On Wednesday, Sept. 4, Green Mountain Hall opened its hospitable doors to welcome relatives and friends to the wedding of Miss Cleona, daughter of Mr. and Mrs. M. M. Tatro of Chicago, and Dr. Hugh H. Miltimore of Scottsboro, P. Q. One of the most beautiful homes in this part of the state, the rich and soft coloring of the rooms formed an admirable background for the simple and impressive ceremony. The house was beautifully decorated with flowers and vines, the arrangement of them in the parlor being especially lovely. The ceremony took place at high noon. While the wedding march was being softly played by Mrs. Chancey Miltimore the bride party came down the broad staircase into the library. Then the doors between the library and parlor were drawn back by Masters Claude Miltimore and Fran Tatro and the groom, escorted by his best man, Dr. Arthur Chapman, entered and stood under the arch of flowers to await the bride. Presently she appeared, looking very lovely in her pink wedding gown. She was attended by her bridesmaid, Miss Helen Emery. The bride's dress was pink embroidered silk and she carried a bouquet of bride roses and fern. The bridesmaid wore pink silk and her bouquet was of pink roses.

Rev. E. E. Grant of St. Johnsbury East performed the ceremony with an earnestness and dignity in keeping with the joyful yet solemn occasion. The double ring service was used. Very sincere congratulations followed, for every one present had a personal regard and affection for the bride and groom. All united in wishing them a long and happy life together. The company then went to the dining room where a dainty luncheon was served. The bride cut the cake amidst the merry jests of her friends. When she left the room she threw her bouquet among the company and her bridesmaid was the fortunate one to catch it. Shortly afterward the groom disappeared. No one gave special thought to the absence of the bridegroom for it was supposed they could not reach the station without the aid of a family team. Suddenly some one shouted, "They have gone," and every one rushed to the veranda only to see them waving their handkerchiefs as they were whirled down the hill in an automobile going at a furious rate. They were commanded and implored to come back for a minute, but they were quite too bright to do that. Not one grain of rice had fallen upon them, not an old shoe had been thrown after them, in spite of the well laid plans of four older brothers, aided by the rest of the party. The quick wit of the bride and groom, with the help of an automobile and an eminent physician of the neighborhood, had proved more than a match for the others.

The bride is lovely in person and character, and her sweet, unselfish disposition has made her a joy in her home and to her friends. She is highly accomplished and her gift for music has been carefully cultivated under the best masters. She received the degree of Doctor of Music from the Chicago Musical College. She has always gladly used her talent to entertain her friends and help on worthy causes.

The groom comes from an old and highly respected Canadian family and is a young man of sterling worth, with every prospect of a future of honor and usefulness. He was graduated from the Medical School of Burlington University last June. After a short wedding journey Dr. and Mrs. Miltimore will have their home in Chicago, where he has a fine position as a surgeon.

There were many beautiful wedding gifts. They consisted for the most part of cut glass, silver, linen and fine china. A generous check came from the father of the bride. The bridesmaid received a handsome ring, the best man a scarf pin, and the groom presented the bride with an exquisite tortoise shell comb, studded with amethysts and brilliants.

Those present were Mr. and Mrs. E. S. Miltimore, J. Clifton Miltimore of Scottsboro, P. Q., Mr. and Mrs. Arthur E. Miltimore of Granby, P. Q., Mr. and Mrs. M. S. Sweetser, P. Q., Mr. and Mrs. E. J. Miltimore of Portland, Me., Mrs. Dean Pettis of Montreal, Mrs. Emma B. Dodge of Bonny Eagle, Me., Gerald M. Dodge of Brookline, Mass., Mrs. E. H. Bazin, Mrs. Alice Richards of Concord, Miss Helen B. Vacation is over. Again the school bell rings at morning and at noon, again with tens of thousands the hardest kind of work has begun, the renewal of which is a mental and physical strain to all except the most rugged. The little girl that a few days ago had roses in her cheeks, and the little boy whose lips were then so red you would have insisted that they had been "kissed by strawberries," have already lost something of the appearance of health. Now is a time when many children should be given a tonic which may avert much serious trouble, and we know of no other so highly to be recommended as Hood's Sarsaparilla, which strengthens the nerves, perfects digestion and assimilation, and aids mental development by building up the whole system.

FOUR REASONS FOR SAVINGS BANK PROSPERITY.

The St. Johnsbury Republican gives four reasons for the prosperity of the Hyde Park Savings Bank. It says: "The Lamont County Savings Bank of and Trust Company of Hyde Park, of which ex-Gov. Carroll S. Page is president, passed the million-dollar mark in assets on Thursday, July 11th. This bank is Gov. Page's pet. This bank pays its depositors four per cent. This bank invests its funds in Vermont. Here are four reasons why this bank has prospered; why it has never lost a dollar on a poor loan and why it is in a position to be congratulated."

The Cough of Consumption

Your doctor will tell you that fresh air and good food are the real cures for consumption. But often the cough is very hard. Hence, we suggest that you ask your doctor about your taking Ayer's Cherry Pectoral. It controls the tickling, quiets the cough.

We publish our formulae. We banish alcohol from our medicines. We urge you to consult your doctor.
